DETAILED ACTION

Election/Restrictions

This application is in condition for allowance except for the presence of claims 21-26, 28, 30, 32-50 to inventions and species non-elected without traverse. Accordingly, claims 21-26, 28, 30, 32-50 have been cancelled.

EXAMINER'S AMENDMENT

The application has been amended as follows:

Claims 21-26, 28, 30, 32-50 have been canceled.

Reasons For Allowance

The following is an examiner's statement of reasons for allowance:

The overall claimed combination of a computerized system for distributing spending vehicles by: a payment due from a governmental entity; an assignable right to receive the payment from the governmental entity, said assignable right held by an individual; a spending vehicle offered by a third party sponsor to the individual in exchange for at least a portion of the individual's right to receive the payment due; an assignment of at least a portion of the individual's right to receive the payment to the third party sponsor in exchange for the spending vehicle; and a computer with a memory for storing and retrieving information associating the payment with the spending vehicle from the third party sponsor to facilitate processing of the spending vehicle

Art Unit: 3624

wherein the spending vehicle is issued to the individual in an amount for spending by the individual of the at least a portion of the payment, the governmental entity is electronically notified to transfer the at least a portion of the payment to the third party sponsor, and the at least a portion of the payment is received by the third party sponsor is neither anticipated nor rendered obvious by the prior art.

Kemp ("Discover Debuts its First Platinum Card", 1999, of record) teaches a plurality of card member rewards that are offered to holders of a Discover Platinum Card. The rewards are issued by Discover Financial Services to its customers. The rewards are based on the card members annual purchase totals.

Longfield (US 5,724,523) teaches an electronic Income tax refund system utilizing the tax refund to underwrite issuance of a secured credit card.

Conclusion

The prior art made of record and not relied upon is considered pertinent to applicant's disclosure. Longfield (US 5,193,057) discloses an electronic income tax refund early payment system with means for creating of a new deposit account for receipt of an electronically transferred refund from the IRS. Miller (US 6,202,052) discloses a fully automated system for tax reporting, payment, and refund.

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Art Unit: 3624

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
